

"SPECIAL - Half day seminar for half of what you **would** expect to pay!"

Due to these difficult economic times, ARMA Richmond Chapter is offering a unique educational experience to our members and guests

## **“eDiscovery – Not just for computer experts!”**

Learn how to:

- Understand the phases of eDiscovery.
- Know where expenses come in
- Assemble a cross functional team: Legal, IT, and Records Management
- Use real-life examples to show the seriousness of eDiscovery to upper management
- Plus much more!

Three team members from Williams Mullen Electronic Discovery and Litigation Technology practice group have volunteered to share their knowledge and experiences at this half day seminar.

### **Speakers**

**P. Brian See**, Partner, is chair of the Electronic Discovery and Litigation Technology practice group. He obtained his JD from Duke University School of Law, and B.A. from Yale University. Since 2006 has devoted his entire practice to electronic discovery and high technology issues.
