## Chapter Project 2011

### **"From Fights to Rights: The Long Road to a More Perfect Union" transcription project.**

1. Visit the link below for information about the transcription project:

2. If you decide you want to participate, click on the guidelines link:

<https://swem.wm.edu/news/fights-rights/transcription-project/transcription-guidelines>

3. Finally, sign up here:

<https://swem.wm.edu/forms/transcription-project-interest-form>

**Very important:** when you are completing the sign-up form, you will see the question "How did you hear about this project?" Select the checkbox "other" and then in the text field beneath the checkboxes, type "ARMA".

We will be able to find out how many items our chapter transcribes if you enter ARMA in that field.

Once you complete the interest form, it may take a couple of weeks to hear back from the Swem Library, but once you do, you will be set up and ready to go.

There are no time limits. We are asked to take our time and be deliberate in order to ensure accuracy. Be sure to read the guidelines carefully (#2 above).

Thanks for your support and interest in this chapter project!
